

Precision Sensors Division

Products Used to Monitor:

- Engine Air, Fuel, and Oil Filtration
- Rotor Braking Pressure
- Engine Oil and Fuel Pressure
- Hydraulic System
- Fuel Tank Level
- Parking Brake Pressure
- Electronics Cooling
- Airspeed

Rotor Braking Pressure
P12M Series Pressure Switches
P12M2 Series Pressure Switches

Engine Oil and Fuel Pressure
P7M Series Pressure Switches
P12M Series Pressure Switches
P18M Series Pressure Switches

Engine Air, Fuel, And Oil Filtration
D79S Series Differential Pressure Switches
D45C Series Differential Pressure Switches
D90M Series Differential Pressure Switches

Airspeed
DA128S Series Differential Pressure Switches

Electronics Cooling
V9F Series Flow Switches
TS12T Series Temperature Sensors

Parking Brake Pressure
P12M Series Pressure Switches
P6P Series Pressure Switches

Fuel Tank Level
L14F Series Liquid Level Switches

Hydraulic System
L14F Series Liquid Level Switches
P12M Series Pressure Switches
V10F Series Flow Switches
TS12T Series Temperature Sensors
XP4000G Series Pressure Transducers
