

**DECLARATION OF COMPLIANCE: REGULATION (EU) 2019/1021 (EU POPs)<sup>1</sup>**

Dear Valued Customer,

It is commonly understood that Regulation (EU) 2019/1021 (EU POPs) serves as the legal implementation of the Stockholm Convention within the EU framework.

We hereby send you information related to substances identified in Annex I and/or Annex II of Regulation (EU) 2019/1021 on Persistent Organic Pollutants (EU POPs), including all amendments in force as of the signature date shown below. This communication applies to the all products sold or otherwise placed on the market by Precision Sensors prior to that date.

This statement certifies that none of the products referenced above contain any of the listed substances (at concentrations above their permitted thresholds, where applicable) as per Annex I or Annex II of the EU POPs as of the signature date shown below.

**Limitations**

Precision Sensors believes that the information it provides above is accurate. The provided information is based upon data obtained from ongoing due diligence concerning goods and materials provided by third party suppliers. Precision Sensors provides such information "AS IS", without any express or implied warranty of any kind. Precision Sensors reserves the right to update and modify this communication, as it believes necessary or appropriate.
